

Welcome to KidsCode - July 2017!

Hi! :-)

We are so thrilled that you have chosen to join us for KidsCode summer coding camp. We have prepared a week-long coding program that's fun, interactive and engaging.

Here is a brief snapshot of what will be happening on each day of the KidsCode July 10 to 14 camp:

<i>Date</i>	<i>Core Activities</i>	<i>Also Happening</i>
July 10	General Introductory Introduction to the tools + Computer Basics Website - get started	Team Building
July 11	New Page Creation CODING DAY! Content Development Design Fundamentals	Guest Speaker
July 12	CODING DAY! Work on Copy Intro to JS	
July 13	CODING DAY! More JS + Control of Objects with JS - Putting Things Together	
July 14	CAREERS IN COMPUTING AND COMPUTER SCIENCE (Field Trip -- YAY!!)	

THINGS TO BRING

COMPUTER REQUIREMENTS

Though not absolutely mandatory, we ask that students bring their own device to all of the sessions except for the field days (July 30 and August 1). Laptop devices are highly recommended. Computers will be available for student use.

PACKING LIST

- Lunch and snacks [Please do not include peanuts or nut products]
- Water bottle
- Weather appropriate clothing (for field trip days)
- Notebook and pen/pencil
- USB Flash drive (minimum 1 GB memory, recommended over 8GB)

The following forms will be available for signing on the first day of the camp:

- 1) Student Pick-up and Drop-off Form (if applicable)
- 2) Media Release Consent Form
- 3) Trip Permission Form

WE CAN'T WAIT TO SEE YOU ALL ON JULY 10th!
